

TALKING LEAVES

2007 is the golden anniversary year for Talidandaganu' Lodge. We are celebrating 50 years of service to our lodge, our troops, and our council. Please come and join us in this exciting celebration. Chester Frost Park pavilion is the site of the celebration and all lodge members past and present are invited and encouraged to attend.

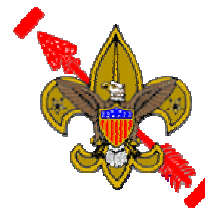

This will be an afternoon and evening of events which will include a variety of activities including a patch auction, dinner, time to meet and

greet old friends, and an opportunity to re-commit yourself to the ideals of the Brotherhood of the Order of the Arrow. We are excited to have the National Order of the Arrow Vice-Chief, Larry Newton, from the Southern Region attending this event.

We need your help to make this a successful event, not only by your attendance but helping the Lodge by providing names and addresses of current and past members so that information can be sent to them and all

of our Brothers can be present at the occasion. Please provide this information to James Hulgán at the Scout office or by e-mail to chief@tali293.org.

Thank you for your support and we hope to see you at this once in a lifetime event.

While your main goal of distributing a newsletter might be to sell your product or service, the key to a successful newsletter is making it useful to your readers.

A great way to add useful content to your newsletter is to develop and write your own articles, or include a calendar of upcoming events or a special offer that promotes a new product.

You can also research articles or find

“filler” articles by accessing the World Wide Web. You can write about a variety of topics but try to keep your articles short.

Much of the content you put in your newsletter can also be used for your Web

site. Microsoft Publisher offers a simple way to convert your newsletter to a Web publication. So, when you’re finished writing your newsletter, convert it to a Web site and post it.

1957-2007

Adviser's Corner — NATIONAL CONSERVATION AND LEADERSHIP CONFERENCE — Wish you could have been there with us. It was both informative and entertaining. There were many opportunities to learn of ways to improve our lodge and our experience in the Order. There was a great deal of information regarding the 2008-2012 Order of the Arrow Strategic Plan.

ARROWCORP5 promotional information was also unveiled at the NCLS and everyone is very excited about this new opportunity for high adventure and service. This is one of the largest projects ever undertaken between the Boy Scouts and the National Forest Service. If you think you would be interested in attending this event, contact James Hulgan at the Council office.
